Product Description

List of activity

- Solar Fan

- Solar Light
- Wind mill
- Wind mill (or DC fan) with electric switch
- Simple electric circuit with switch
- Bulb intensity control using variable resistor
- Fan speed control using variable resistor

Disclaimer :

This is a handmade complete working Models, Projects & Activity kits supported by rough study material to make a suitable projects report by the student. It is using Cardboard/Wooden base, Paper, Foam based board, stationary items, Electronic-Electrical Components, Mechanical & Scientific goods as per the requirement of a particular model. Colour of product and decoration item may be varying according to availability of material but we make ensure that we will deliver the product with same working, structure and dimensions as describe in product description section.
