No Investment Plan - Reselling Proposal

Project hub Reseller Programs is a **platform** where you can increase your revenue by selling our products

Be the Project Hub Partner in Your City:

1. Download & Read Our Partner Proposal
2. Apply for Reseller Program
3. We will get in touch with you within 48 hours
4. For Queries/Doubts: Call/Watsapp- +91-9109087333

How it Works:

- We provide fully working self learning kits with timely service.
- We provide you 20% to 25% (Except components & spares) margin on every kit sold through you. Margin may increase depending upon the sales targets you reach.
- We guide you about the marketing strategy and planning.
- We provide you ProjectHub marketing materials for your facility and local marketing.
- We provide you software setup for running the systems.
- We help you with various technical queries and doubts.

Benefits:

- We help you with various technical issues.
- We handle customer queries at your facility online.

Terms:

- Reseller Discounts will be Applicable Only for **Active Reseller**. (Active Reseller means – Order Amount more than 5K per Month).
- Applicant must have basic technical knowledge.
- Applicant must have good internet access at his location.
- Applicant premises must be located in an area suitable for the business.
- Applicant should also put up a ProjectHub banner at the facility along with their Banner.
- Applicant cannot sell any of our projects or copy of our projects without notifying us.
- Applicant needs to inform us 7 days in advance if he undergoes any address change of the premises.

No Investment Plan - Reselling Proposal

- Applicant needs to follow our training and guidelines to provide proper service to students.
- Applicant must possess suitable Computer setup to provide proper project service to students.
- A good internet access is needed at applicant location to stay connected to ProjectHub support team.
- ProjectHub has the right to terminate resellership permanently if Applicant is found to violate any of above terms.

No Investment Plan - Reselling Proposal

Setup Requirements:

One Computer– Desktop or Laptop

Minimum PC Configuration

- ➢ Processor: i3
- ➢ Ram: 2Gb
- ➢ Hard disk: 500Gb
- ➢ Graphic Card: 1Gb
- ➢ Web Camera

- Internet Connection – Minimum 1 Mbps speed
- Wifi Setup , 1 Headphones + Mike for video conferencing

Working Procedure:

- You need to provide us weekly excel sheet report of customers who confirmed to buy projects from your centre
- Once a customer is confirmed to take a project kit from you, you may notify us.
- To get a project from us you need to send us full payment, we do not take instalments since we deal with a large number of franchise's, maintaining individual project instalment records for every centre is not possible for us. We do not provide you any credit limit.
- Project shipping costs are depending on shipping address it is not included in project cost given to you.
- We deliver project kit after full payment.
- We provide online support through Skype or other social network at your facility from 11 am to 7 pm Monday to Saturday.
- The delivery time may range from 1 hour to 3 weeks after confirmation depending on project kit.

Please refer the following delivery timing details:

Projects	Time Range
Components & spears	24 Hours - 48 Hours
Science Exhibition Model	24 Hours -2 Days
School Project & Experiments	24 Hours – 1Weeks
Hobby DIY Kits	24 Hours – 1 Weeks
Engineering Projects	24 Hours – 3Weeks
Brand free kit & modules	24 Hours – 1Weeks

You may use receipt book in your company name to issue project payment bills
