Product Description

This is a stable well supported metal base low cost soldering iron stand. It can hold, most of the pen-type soldering iron with its spring holder. A sponge for cleaning the iron comes attached to the base.

Features:

- Ideal for both hobbyists and professional users
 - Suitable for use with most soldering irons
 - Includes a sponge tray for cleaning the soldering iron tip
 - Double spiral spring construction makes it virtually impossible to accidentally touch the iron when inserted into the stand
 - Good and Stable quality
 - Excellent after-sold service
 - Safety
-
